Periodic Lane Closure on Bob Anthony Parkway

Repaving of the upper road of Bob Anthony Parkway, also known as Spillway Road west bound across the Barnett Reservoir Dam, is scheduled to begin Monday, April 23, 2018, the Pearl River Valley Water Supply District has announced.

The project, made possible by federal transportation grants administered through the Mississippi Department of Transportation and the Federal Highway Administration, is expected to last approximately six weeks, weather permitting.

While lane closures will be necessary each weekday, no closures will take place during the morning commute hours of 7 to 9 a.m.

Drivers should plan ahead, expect delays, and remain vigilant. Please slow down, and respect the workers in the area.
