Effective immediately, the PEARL RIVER VALLEY WATER SUPPLY DISTRICT has issued a Boil Water Notice for Lake Harbor Area on the Lake Harbor/Goshen Springs water system # 610035. This notice was issued due to a boring company hitting a 4-inch water main.

The effected area:

**Goshen Springs Campground
Sunset Campground
Tommy Trading Post
Sunset Grill**

There are 300 water connections affected in the area. The Mississippi State Department of Health was notified by this email. We will take the first of the sample from the affected area starting on Monday, March 16, 2026. This boil water notice will be in effect until we receive clear sampling.
