

Traffic Advisory – Highway 43 July 15, 2025

Please be aware that MDOT will close the Highway 43 bridge for repairs from July 28 until October 1.

Campers at Goshen Springs will still be able to access Highway 43 to get to the campground. The fishing pier on the northern side of the bridge will likely be closed for the duration of these repairs.

Fishing tournaments that are currently scheduled to use Goshen North and Goshen South boat ramps during this time will continue to do so. However, boaters can only access these ramps from the Rankin County side.

For updated information, please click on the MDOT news release [here](#).
