AGENDA FOR MEETING OF THE BOARD OF DIRECTORS OF THE PEARL RIVER VALLEY WATER SUPPLY DISTRICT HELD AT PRVWSD MAIN OFFICE, BRANDON, MS AT 9:30 A.M. ON THURSDAY, JULY 16, 2026

1. Opening prayer
2. Pledge of Allegiance
3. Request for acceptance of Minutes of the meeting held on June 18, 2026 (Tab 1)
4. Update on Fisheries and Plant Management – MDWFP
5. Committee Recommendations:

   Shoreline Development Committee (Tab 2)

   I. Approve Atmos Easement Request – 12 Oaks Project
   II. *Accept Bids and Authorize Award of Contract for 2026-2027 Slope Mowing on the Main Dam
   III. Approve Temporary Access Agreement with Denbury
   IV. Approve contract for Spot On for Dead Tree Removal

   Parks Policy Committee

   I. Approve Celtic Fest Alcohol Permit
6. Discussion of Delegation of Authority to Issue Alcohol Permits to Executive Director and District Staff
7. Approve of Per Diem and Travel Report for Board of Directors for June 2026 (Tab 3)
8. Approve of Cash Balance Report (Tab 3)
9. Approve of July 2026 Claims Docket (Tab 3)
10. Police Chief's Monthly Report (Tab 4)
11. Executive Director's comments (Tab 4)
12. Executive Session
13. Next regular meeting August 20, 2026 at 9:30 a.m. – PRVWSD Main Office, Brandon MS

MINUTES OF A REGULAR MEETING OF THE BOARD OF DIRECTORS OF THE PEARL RIVER VALLEY WATER SUPPLY DISTRICT HELD ON THURSDAY, JUNE 18, 2026 AT 9:30 A.M. AT THE PRVWSD MAIN OFFICE, BRANDON, MISSISSIPPI

A regular monthly meeting of the Board of Directors of the Pearl River Valley Water Supply District was held at 9:30 a.m., on Thursday, June 18, 2026, at the PRVWSD Main Office, Brandon, Mississippi.

Members Present: Bruce Brackin, Billy Cook, Lonnie Johnson, Kenny Latham, Don Thompson, Brandon White, Kenny Windham, Jack Winstead,

Members Present by Teleconference: Tedrick Ratcliff

Members Absent: Dallas Quinn, Philip Crosby, Randy McIntosh, Jason Spellings,

Others Present: Adam Choate, Jill McMurtrey, Tammie Ballard, Philip Huskey, Mark Beyea, Rick Hollis, Karan Brister, Craig Hunt, Jason Temple, Cheridy West, Nichole Goss, Marcial Forester, Chloe King, Patrick LeBrun, Marty Pope, Jeannine May, April Smith, Frank Perkins

President Kenny Windham called the meeting to order at 9:30 a.m.

President Windham asked for review of the minutes of the special meeting of May 5, 2026.

Upon review of the minutes of the special meeting of the Board of Directors held May 5, 2026, a motion was made by Mr. Don Thompson for the minutes to be approved. Mr. Lonnie Johnson seconded the motion.

The vote was as follows: For: Brackin, Cook, Johnson, Latham, Thompson, Ratcliff, White, Windham and Winstead. Abstained: None. Against: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the next agenda item.

President Windham asked for review of the minutes of the special meeting of May 6, 2026.

Upon review of the minutes of the special meeting of the Board of Directors held May 6, 2026, a motion was made by Mr. Bruce Brackin for the minutes to be approved. Mr. Lonnie Johnson seconded the motion.

The vote was as follows: For: Brackin, Cook, Johnson, Latham, Thompson, Ratcliff, White, Windham and Winstead. Abstained: None. Against: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the next agenda item.

President Windham asked for review of the minutes of the regular monthly meeting of May 21, 2026.

Upon review of the minutes of the regular monthly meeting of the Board of Directors held May 21, 2026, a motion was made by Mr. Don Thompson for the minutes to be approved. Mr. Kenny Latham seconded the motion.

The vote was as follows: For: Brackin, Cook, Johnson, Latham, Thompson, Ratcliff, White, Windham and Winstead. Abstained: None. Against: None. MOTION CARRIED UNANIMOUSLY.

President Windham asked for the Shoreline Development Committee agenda items.

Mr. Billy Cook requested approval of 1-year Extended Variance for Backwater Grill to Complete Parking Plan.

On May 15, 2025, TGG Hospitality Group requested approval of variance request for the Backwater Grill parking lot. Backwater Grill was granted a one-year variance from paving the asphalt parking lot. An estimated 70 spaces on asphalt is what was originally approved. At present, the parking lot is incomplete and consists of slag gravel in the area not covered by asphalt. Mr. Bryan presented a parking plan to the District, but the District found the parking plan insufficient. Mr. Bryan is now requesting an additional 30 days on his variance to consult an engineer and update his parking plan.

After discussion with Mr. Bryan, staff is now recommending an additional one-year variance on completion of the parking lot, so Mr. Bryan can consult with an engineer and present a comprehensive parking plan.

Mr. Billy Cook made a motion to approve an additional one-year variance to the previously approved variance for Mr. Bryan to consult an engineer and present an updated plan to the District, as recommended by staff. Mr. Jack Winstead seconded the motion.

The vote was as follows: For: Brackin, Cook, Johnson, Latham, Thompson, Ratcliff, White, Windham and Winstead. Against: None. Abstain: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the next agenda item.

Mr. Billy Cook requested approval of Ratification of Plat Amendments, Expedition Point, Phase 1, Amended, Lots 17 & 59.

Mr. Frank Perkins, developer of Expedition Point, requested to amend the plat to allow two lots in Expedition Point to expand their leased areas into green spaces. This will not hinder usable green space and will not block anyone's view. According to Mr. Perkins, 100% of the lot owners have consented to both requests.

Mr. Billy Cook made a motion to approve Ratification of Plat Amendments, Expedition Point, Phase 1, Amended, Lots 17 & 59, as recommended by staff. Mr. Bruce Brackin seconded the motion.

The vote was as follows: For: Brackin, Cook, Johnson, Latham, Thompson, Ratcliff, White, Windham and Winstead. Against: None. Abstain: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the next agenda item.

Mr. Billy Cook requested approval of Final Plat for The Retreat at Lost Rabbit.

Cedarstone Development, LLC has completed construction of the infrastructure improvements for The Retreat at Lost Rabbit. The development consists of 5 lots totaling 22,045.74 square feet. The project has been inspected and found to be in conformance with the approved preliminary plat and construction plans.

Staff requests that the Committee/Board accept the accept the final plat for The Retreat at Lost Rabbit and authorize the Executive Director to sign the plat for recording.

Mr. Billy Cook made a motion to approve Final Plat for The Retreat at Lost Rabbit, as recommended by staff. Mr. Don Thompson seconded the motion.

The vote was as follows: For: Brackin, Cook, Johnson, Latham, Thompson, Ratcliff, White, Windham and Winstead. Against: None. Against: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the next agenda item.

Mr. Billy Cook requested approval to Drainage Improvements in Cliffview Subdivision.

Part of the drainage system in the Cliffview subdivision, on Spillway Road, consists of 860 linear feet of 83" x 53" corrugated metal arch pipe culvert that carries a large volume of water through the neighborhood. The pipe, which is part of the original 1990's construction, crosses the back yards of six lots (629,633,637,641,645 & 649) along Cliffview Dr as well as passing along the sides of two Cliffview Dr lots (629 & 630) and under the roadway. The pipe is situated within a dedicated 20-foot-wide drainage easement. The recorded plat for Cliffview Subdivision - Part 2 (Revised) does not contain notes releasing the District from responsibility for maintenance of drainage improvements and the Cliffview covenants appear to place maintenance on the District.

This pipe has posed a maintenance problem for many years. District engineers and maintenance personnel have filled and sealed numerous sink holes associated with leaks in the pipes and particularly their joints. Recently, large areas of sinking soil have appeared on several of the lots containing the large culvert. Upon inspection it was found that the pipes are nearly half full of sand and sediment.

In order to determine the true nature of the current problems associated with the drainage system, it is necessary to clean the pipes and inspect the interior. Given that the normal usable life of galvanized corrugated metal in drainage applications is 25 years, there is a possibility that the pipes have rusted out and may require major repairs or even replacement. Staff has solicited quotes to clean and inspect the full length of the culvert. Two quotes were received. The best price received was $27,080. The second quote was $51,700.

Staff wishes to make the Board aware of this drainage repair requirement and to obtain approval to contract for the pipes to be cleaned and inspected.

Mr. Billy Cook made a motion to approve Drainage Improvements in Cliffview Subdivision, as recommended by staff. Mr. Don Thompson seconded the motion.

The vote was as follows: For: Brackin, Cook, Johnson, Latham, Thompson, Ratcliff, White, Windham and Winstead. Against: None. Abstain: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the next agenda item.

Mr. Billy Cook requested approval to Surface Transportation Block Grant Funds for Spillway Road Bridge Repairs.

On May 14, 2026, the District was notified that the application for Federal Surface

Transportation Block Grant funds to make repairs to the Spillway Road bridges, which was submitted in January, 2026, has been approved. The grant will provide $1,184,137 for construction and construction engineering and inspection. The District will be responsible for $337,165 which will pay for portions of the preliminary engineering, construction, construction engineering and inspection. This project will repair spalled and cracked concrete elements on both bridges. It will replace damaged metal components on the bridges. It will apply protective coatings to concrete elements above the bridge decks. It will clean, prepare and apply a surface overlay to the deck of the lower road bridge. It will also clean and repair the drainage system for the bridge decks, and it will clean and repair the deteriorated concrete on areas of the original spillway trainer walls that support the piers of the lower road bridge.

Making these repairs will prolong the useful life of both bridges and reduce the likelihood that conditions will deteriorate to the point where major repairs, that could require lengthy closures of the bridges, will be required.

Staff requests that the Committee/Board accept the grant funds and authorize the staff to proceed with the grant process, the next step of which will be participation in a Project Commitment Meeting with the Central Mississippi Planning and Development District and receipt of a Memorandum of Agreement.

Mr. Billy Cook made a motion to approve Surface Transportation Block Grant Funds for Spillway Road Bridge Repairs, as recommended by staff. Mr. Kenny Latham seconded the motion.

The vote was as follows: For: Brackin, Cook, Johnson, Latham, Thompson, Ratcliff, White, Windham and Winstead. Against: None. Abstain: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the next agenda item.

Mr. Billy Cook requested approval of Bids and Award Contract - Spillway Rd Dead Tree Removal and Forestry Mulching Contract.

On May 8, 2026, the District received bids for the cutting of all dead standing trees, dead standing trunks and mulching of dead tree debris on the right-of-way along Spillway Road between Hidden Hills Crossing and MS Highway 471. An additive alternate bid item was also included for cutting and leaving all dead trees in the Botanical Gardens.

Eleven (11) bids were received. Two (2) bids were disqualified due to failure to submit all required information. The low bid was submitted by Spot On Tree Service of Mount Olive, MS. Their bid for the base project was $49,500. The bid $19,500 for the additive alternate work at the Botanical Gardens. The second low bid was submitted by Couch Tree Service. Couch bid $173.080 for the base project and $24,000 for the additive alternate work. Staff has checked Spot On Tree Service's insurance coverage and past performance references. All reference contacts, including supervisors at MDOT and the Pat Harrison Waterway District expressed satisfaction with work done for their organizations by Spot On Tree Service. A complete list of bids received is attached.

Staff requests that the Committee/Board accept the bids received for the Spillway Road Dead Tree Removal and Forestry Mulching contract and authorize award of a contract to Spot On Tree Service for the base project and the additive alternate totaling $69,000.

Mr. Billy Cook made a motion for approval of Bids and Award Contract to Spot On Tree Service for Spillway Rd Dead Tree Removal and Forestry Mulching Contract, pending attorney review of Spot On's qualifications. Mr. Jack Winstead seconded the motion.

The vote was as follows: For: Brackin, Cook, Johnson, Latham, Thompson, Ratcliff, White, Windham and Winstead. Against: None. Abstain: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the next agenda item.

Mr. Billy Cook requested approval of Regulation Change to Title 33, Part 210: Public Records Production.

Mr. Billy Cook discussed changes to the financial records disclosed to the District during the bidding process. More specifically, Mr. Cook wanted procedures revised to increase protection of confidential information.

Mr. Billy Cook made a motion for approval of Regulation Change to Title 33, Part 210: Public Records Production, as recommended by staff. Mr. Kenny Latham seconded the motion.

The vote was as follows: For: Brackin, Cook, Johnson, Latham, Thompson, Ratcliff, White, Windham and Winstead. Against: None. Abstain: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the Parks Policy Committee agenda item.

Mr. Kenny Latham requested approval of Camping Pad Renovation Bid Advertisement.

The District is seeking bids for the demolition and construction of twenty concrete camping pads at Timberlake Campground.

Mr. Kenny Latham made a motion for approval of advertisement for bid of camping pad renovations for Timberlake Campground, as recommended by staff. Mr. Lonnie Johnson seconded the motion.

The vote was as follows: For: Brackin, Cook, Johnson, Latham, Thompson, Ratcliff, White, Windham and Winstead. Against: None. Abstain: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the Executive Committee agenda item.

Mr. Kenny Latham requested approval of Memorandum of Understanding with Mississippi Attorney General's Office re: Legal Services.

Mr. Billy Cook made a motion for approval of Memorandum of Understanding with Mississippi Attorney General's Office re: Legal Services, as recommended by staff. Mr. Kenny Latham seconded the motion.

The vote was as follows: For: Brackin, Cook, Johnson, Latham, Thompson, Ratcliff, White, Windham and Winstead. Against: None. Abstain: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the next agenda item.

Finance Chairman Billy Cook reviewed the Per Diem and Travel Report.

Mr. Billy Cook made a motion to approve the Per Diem and Travel Report for May 2026. Mr. Don Thompson seconded the motion.

President Windham asked for any additional questions or comments. None were offered.

The vote was as follows: For: Brackin, Cook, Johnson, Latham, Thompson, Ratcliff, White, Windham and Winstead. Abstained: None. Against: None. MOTION CARRIED UNANIMOUSLY.

Chairman Billy Cook reviewed the Cash Balance Report.

Mr. Billy Cook made a motion to approve the Cash Balance Report, as presented. Mr. Lonnie Johnson seconded the motion.

President Windham asked for any additional questions or comments. None were offered.

The vote was as follows: For: Brackin, Cook, Johnson, Latham, Thompson, Ratcliff, White, Windham and Winstead. Abstained: None. Against: None. MOTION CARRIED UNANIMOUSLY.

Chairman Cook reviewed the Claims Docket for June 2026.

President Windham asked for any additional questions or comments. None were offered.

Mr. Billy Cook made a motion to approve the Claims Docket for May 2026, as presented. Mr. Brandon White seconded the motion.

The vote was as follows: For: Brackin, Cook, Johnson, Latham, Thompson, Ratcliff, White, Windham and Winstead. Abstained: None. Against: None. MOTION CARRIED UNANIMOUSLY.

President Windham then asked for the next agenda item.

Mr. Craig Hunt reviewed the Director's Campground and Parks Report

Asst. Chief LeBrun reviewed the police report for May 2026.

Mr. Adam Choate then gave his report as Executive Director.

Mr. Billy Cook made a motion to adjourn the meeting: Mr. Don Thompson seconded the motion.

The vote was as follows: Brackin, Cook, Johnson, Latham, Thompson, Ratcliff, White, Windham and Winstead. Abstained: None. Against: None. MOTION CARRIED UNANIMOUSLY.

There being no further business to come before the Board, the meeting was adjourned at 10:01 a.m.

Tax Parcel #: 083I-31 -013/00.00 & 083I-32 -001/01.00
County: Madison
State: MS

ESTIMATED OFFER OF COMPENSATION

To Whom it may concern,

As you may know EMC, Inc., is undertaking the acquisition of easements for the proposed utility easement that is crossing your property. Over the past few weeks we have periodically contacted you to discuss the project and its proposed impact on your property. You have already received information regarding this project and have allowed our surveying and environmental teams access to your property, which was greatly appreciated.

The basis for EMC's offer is briefly described below:

A total offer of **$18,500.00** has been determined by combining the values of the following:

20 ft Permanent Easement:	**$20,000.00**	Per Acre	x	**0.87**	Acres =	$17,400.00
20 ft Temporary Workspace:	**$1,250.00**	Per Acre	x	**0.87**	Acres =	$1,087.50
					Sub Total:	$18,487.50
Atmos allows us to round up the Sub Total to the nearest $250					**Total:**	**$18,500.00**

We have also enclosed the Permanent Easement and map depicting the easement location on your property for your review. If this offer and terms of agreement are acceptable to you or you have any questions regarding this easement, please contact Scotty Ford.

Sincerely,

Scotty Ford

Subject: Accept Bids and Authorize Award of Contract for 2026 – 2027 Slope Mowing on the Main Dam

Date: July 2, 2026

On June 23, 2026, the District received bids for mowing the slopes on the main dam of the Barnett Reservoir for the 2026 – 2027 season. Three bids were received. The low bid was submitted by Trisler Landscape Management, LLC. Trisler's bid, for a total of 14 cuttings is $40,371.66. This bid is 13.8% less than the Engineer's estimate. Trislers proposed price per cutting actually dropped by $303.81 from last year.

A tabulation of the bids received is attached.

Staff requests that the Committee/Board accept the bids and authorize the Executive Director to execute a contract with Trisler Landscape Management, LLC.

TAB 2 - ITEM II

Memo

To: Shoreline Committee Member/PRVWSD Board Members

From: Mark Beyea

Subject: Approve Temporary Access Agreement for Denbury

Date: July 2, 2026

Denbury Gulf Coast Pipelines, LLC has requested temporary access to two sections of unnamed road on District property in Rankin County near Three Prong Trail for the purpose of performing preventative maintenance on their Delta Pipeline CO_2 pipelines. The total length of the two sections of unsurfaced road is 3,418 linear feet. Denbury proposes to pay the District $8,836.00 for the privilege of temporary access.

Staff requests that the Committee/Board approve granting Denbury Gulf Coast Pipelines, LLC temporary access to the two section of road and authorize the Executive Director to execute the access agreement. A copy of the proposed agreement is attached to this memo.

Mark J. Beyea, P.E.
Chief Engineer

RIGHT OF ENTRY
AND
TEMPORARY ACCESS
AGREEMENT

THIS AGREEMENT, dated the ____ day of _____, 2026, is by and between **PEARL RIVER VALLEY WATER SUPPLY DISTRICT**, hereinafter referred to as PERMITOR, and **DENBURY GULF COAST PIPELINES, LLC**, hereinafter referred to as PERMITTEE.

PERMITTEE proposes to utilize PERMITOR'S property for 14 days commencing when PERMITOR enters property with vehicles and equipment. Said use of the property to include operation access on adjacent property, the general location of which is shown on "Exhibit A-1" and "Exhibit A-2" which are attached hereto and made a part hereof by reference.

PERMITOR hereby grants to PERMITTEE the right to temporarily utilize an agreed upon portion of PERMITOR 'S property for the purpose hereinabove stated, subject to the following terms and conditions:

1) PERMITEE agrees to pay PERMITOR Eight Thousand Eight Hundred Thirty Six and No/100 Dollars ($8,836.00) for the temporary use of PERMITOR's property, as described above.

2) PERMITTEE shall at all times conduct its activities in a safe, responsible manner, and complying with all laws and regulations applicable to PERMITEE'S activities.

3) PERMITTEE shall be responsible for the cost of prompt repair of PERMITOR's property, including roadways, resulting from damage incurred because of PERMITEE's ingress and or egress to said property.

4) PERMITTEE shall at all times indemnify and hold harmless PERMITOR from and against any and all claims, demands, causes of action, liabilities, cost and expense of every nature, including reasonable attorney's fees which may be sustained or incurred arising out of PERMITTEE'S use of said property, except when caused by the negligence of PERMITOR, their agents or assigns.

5) PERMITOR represents and warrants that PERMITOR owns the surface and associated rights in and to the lands mentioned above.

6) All notices and correspondence to PERMITEE, unless otherwise specified, shall be sent to: ExxonMobil Pipeline Company LLC
Attn: Right of Way Dept.
18440 Highland Road
Baton Rouge, LA 70809

7) This Agreement is personal and may not be transferred or assigned without the express written consent of PERMITOR.

IN WITNESS WHEREOF, the parties hereto have caused this instrument to be executed in duplicate the day and year first written above.

Reservoir officials ready for summer activity

Reservoir police prepared for another busy summer

By DRAKE HANNERS
Sun Intern

THE RESERVOIR POLICE Department is already gearing up for what should be another eventful summer. This season, Reservoir Police Chief Carlos DiPuma stresses that safety on the water will still be the department's number one priority.

"Our top priorities are safety and enforcement. We want everyone to enjoy their time on the water while ensuring they follow the laws and safety regulations that help prevent accidents and save lives."

Increased activity has made safety enforcement even more important in recent years, according to DiPuma. While reservoir police maintain a year-round presence, they place particular focus on busy summer weekends and holidays when boating traffic is at its highest.

"All units within the Reservoir Police Department work and remain on call 24 hours a day, seven days a week," DiPuma said.

DiPuma cites boating under the influence, reckless operation and negligence to proper safety equipment as recurring issues found for nearly every citation during the summer months.

"Many boating accidents and emergency calls stem from operator inattention, lack of experience, boating under the influence and reckless operation," he said.

BEYOND IMPAIRED boating and a general lack of safety equipment, other concerns highlighted by DiPuma were primarily weather-related.

"Weather awareness is extremely important. We recommend downloading a reliable weather app and closely monitoring conditions before launching. If there is any significant chance of severe weather, it's best to stay off the water."

The chief said preparation and responsible operation remain the best ways to prevent accidents and emergencies.

"Make sure your boat is properly equipped with all required safety equipment. Have a life jacket for every person on board and a throwable flotation device. Never exceed the vessel's rated passenger capacity."

He estimated the department responded to more than 15 boating accidents and water rescue incidents within the past year.

"Be cautious and stay within the marked channels," DiPuma said. "Always wear a U.S. Coast Guard-approved personal flotation device and take the time to learn safe boating practices before heading out on the water."
