MINUTES OF A REGULAR MEETING OF THE BOARD OF DIRECTORS OF THE PEARL RIVER VALLEY WATER SUPPLY DISTRICT HELD ON THURSDAY, AUGUST 20, 2026 AT 9:30 A.M. AT THE PRVWSD MAIN OFFICE, BRANDON, MISSISSIPPI

A regular monthly meeting of the Board of Directors of the Pearl River Valley Water Supply District was held at 9:30 a.m., on Thursday, August 20, 2026, at the PRVWSD Main Office, Brandon, Mississippi.

Members Present: Bruce Brackin, Philip Crosby, Lonnie Johnson, Kenny Latham, Randy McIntosh, Jason Spellings, Don Thompson, Brandon White, Kenny Windham, Jack Winstead,

Members Present by Teleconference:

Members Absent: Dallas Quinn, Tedrick Ratcliff, Billy Cook

Others Present: Adam Choate, Jill McMurtrey, Tammie Ballard, Mark Beyea, Rick Hollis, Karan Brister, Craig Hunt, Jason Temple, Cheridy West, Nichole Goss, Marcial Forester, Chloe King, Carlos Dipuma, Pat LeBrun, David Armstrong, Eric Smith, Randy Polk, Marty Pope, Brady Chamblee, Hope Whittington

President Kenny Windham called the meeting to order at 9:30 a.m.

Mr. Lonnie Johnson introduced former Mayor of Natchez, David Armstrong

Mr. Brandon White entered the meeting at this time.

President Windham asked for review of the minutes of the regular monthly meeting of July 16, 2026.

Upon review of the minutes of the regular monthly meeting of the Board of Directors held July 16, 2026, a motion was made by Mr. Kenny Windham for the minutes to be approved. Mr. Kenny Latham seconded the motion.

The vote was as follows: For: Brackin, Crosby, Johnson, Latham, McIntosh, Spellings, Thompson, White, Windham and Winstead. Abstained: None. Against: None. MOTION CARRIED UNANIMOUSLY.

Mr. Kenny Windham requested a correction of April 2026 Board of Directors Minutes. The April 20 minutes, as currently approved, mistakenly only specify condominiums as an approved use. Mr. Nooe also presented a proposal that also included restaurants and other mixed uses and the minutes should be amended to reflect mixed uses including restaurants, condominiums, and professional office space

Mr. Don Thompson made a motion to approve correction of April 2026 Board of Directors Minutes, as recommended by staff. Mr. Lonnie Johnson seconded the motion.

The vote was as follows: For: Brackin, Crosby, Johnson, Latham, McIntosh, Spellings, Thompson, White, Windham and Winstead. Against: None. Abstain: None. MOTION CARRIED UNANIMOUSLY.

The Board issued Letters of Commendation to District employee Randy Polk, Reservoir Police Sergeant Hope Whittington and Reservoir Police Corporal Brady Chamblee for successfully identifying a juvenile reported missing by the Jackson Police Department. Through their efforts the missing juvenile was successfully recovered and the adult individual responsible was taken into custody and charged with harboring the missing juvenile.

President Windham asked for the Water/Sewer Billing Review Committee agenda items.

Mr. Jack Winstead requested approval for a water billing adjustment for 125 Swallow Drive, Charlotte Reeves.

Ms. Reeves outlined the circumstances of her water leak. The leak originated on the main service line to home located under a shrub during the February 2027 freeze event and could not be readily seen by her.

Upon investigation, it was determined by PRVWSD that the leak resulted from a line break at the main service line to home located under a large shrub which was repaired on February 11, 2026. Due to the location of the leak and the unforeseen freeze and ice storm event, it was not readily observed by Mrs. Reeves.

Ms. Reeves acted immediately to have the leak repaired, contracted the repair, and paid approximately $755.96 for the repair.

Given the circumstances of Ms. Reeves leak, Mr. Huskey indicated to the Committee it could make a factual finding that the leak was the result of unforeseen circumstances and Ms. Reeves did not receive the benefit of the water. The Committee could further make a factual finding that it could reduce Ms. Reeves's water bill and it would be adjusted with Ms. Reeves paying $51.00 for her average billing for each affected month.

Mr. Jack Winstead made a motion to approve water billing adjustment for 125 Swallow Drive, Charlotte Reeves, as recommended by staff. Mr. Kenny Latham seconded the motion.

The vote was as follows: For: Brackin, Crosby, Johnson, Latham, McIntosh, Spellings, Thompson, White, Windham and Winstead. Against: None. Abstain: None. MOTION CARRIED UNANIMOUSLY.

President Windham asked for the Shoreline Development Committee agenda items.

Mr. Randy McIntosh requested approval of Side Setback Variance for Lot 8, 355 Lake Harbor Rd.

The leaseholder and builder of Lot 8, 355 Lake Harbor Road, Brandon MS in the Lake Harbor Subdivision, Mr. James Bailey has requested a 5' side setback variance, modifying such setback from 10' to 5'. Since the committee meeting, the owner of the adjoining lot, Kristian Flowers, has objected to the variance request. District staff would like to table the variance request until the September 2026 meeting to determine if an agreement can be made or to prepare for a hearing on the variance request.

Mr. Randy McIntosh made a motion to table until September, Side Setback Variance for Lot 8, 355 Lake Harbor Rd, as recommended by staff. Mr. Don Thompson seconded the motion.

The vote was as follows: For: Brackin, Crosby, Johnson, Latham, McIntosh, Spellings, Thompson, White, Windham and Winstead. Against: None. Abstain: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the next agenda item.

Mr. Randy McIntosh requested approval of Pisgah Schools Sewer Connection Interlocal Agreement.

The Rankin County School District has requested the District and West Rankin Utility Authority accept sanitary sewer from Pisgah Campus off of Mississippi Highway 43. The school district wishes to replace the existing wastewater treatment lagoon. West Rankin Utility has agreed to accept sanitary sewer from the school site, contingent on District approval. The District has the sewer capacity to accept Pisgah flow. The Rankin County School District will pay for the construction of a force main and agrees to maintain it. Rankin County School District also agrees to pay for any needed upgrades to PRV facilities and for the sewer service itself in a manner to be determined by PRV, WRUA and the school district. Staff recommends acceptance of Pisgah's flow and begin working on an Interlocal Agreement with West Rankin Utility Authority and Rankin County Schools dictating the terms and conditions of each parties' responsibilities.

Mr. Randy McIntosh made a motion to accept the school district's flow from Pisgah Schools and to approve Pisgah Schools Sewer Connection Interlocal Agreement, as presented. Mr. Lonnie Johnson seconded the motion.

The vote was as follows: For: Brackin, Crosby, Johnson, Latham, McIntosh, Spellings, Thompson, White, Windham and Winstead. Against: None. Abstain: Spellings. MOTION CARRIED UNANIMOUSLY.

President Windham called for the next agenda item.

Mr. Randy McIntosh requested approval to accept Bids and Authorize Contract Award for 2026 Dredging Operations.

On July 29, 2026, the District received bids for the 2026 Dredging Operations contract. Two bids were received. The low bid was submitted by Hemphill Construction Co., Inc. of Florence, MS. Hemphill's bid for the entire project is $3,973,500.00. This bid is 2.52% less than the Engineer's estimate of $4,076,100.00. Paragon Environmental of Houston, TX submitted the second lowest bid in the amount of $4,915,807.00.

The 2026 Dredging Operations project will dredge channels in and around Northbay, Bridgepointe, Palisades, Arbor Landing and Lake Harbor subdivisions, as well as the Fannin Landing boat ramp.

Staff requests that the Board accept the bids and authorize the Executive Director to execute a contract with Hemphill Construction Co., Inc.

Mr. Randy McIntosh made a motion to approve to accept Bids and Authorize Contract Award for 2026 Dredging Operations, as recommended by staff. Mr. Bruce Brackin seconded the motion.

The vote was as follows: For: Brackin, Crosby, Johnson, Latham, McIntosh, Spellings, Thompson, White, Windham and Winstead. Against: None. Against: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the next agenda item.

Mr. Randy McIntosh requested approval of Mississippi Outdoor Stewardship Trust Fund Grant Application Submittal.

PRVWSD is considering submitting a grant application to the Mississippi Outdoor Stewardship Trust Fund in September for funds to begin a multi-phase program to reclaim a large area of aquatic habitat along the west side of the Pearl River at the Wildlife Management area (WMA).

Over the years, what once was accessible, open water throughout a 1,500-acre tract of the WMA has become almost completely choked with both native and invasive aquatic vegetation. Where anglers previously caught plentiful sport fish, no sunlight penetrates the water and nothing lives except alligators.

After researching possible sources of grant funds to improve this situation, PRV staff has determined that the project checks almost all the boxes to receive funds from the MOSTF program. PRV Engineering and Forestry staff, in conjunction with representatives of the Mississippi Department of Wildlife, Fisheries and Parks (MDWFP) and the Mississippi State University (MSU), have developed a project that can be accomplished in phases. The first of which would constitute a test phase during which a variety of treatment activities would be tested on a 230-acre area in the southeast corner of the WMA. Treatment methods would include herbicide applications, prescribed burning and mechanical weed removal. The goal being to open up the weed choked area to hunting, fishing, boating, and other recreational activities. The experienced gained during this test phase will allow for the most effective methods to be translated into future grant applications and project activities.

Staff requests that the Committee vote to approve submission of an application to the MOSTF for $100,000 to rehabilitate approximately 230 acres of habitat in the Pearl River Wildlife Management Area and authorize the Board President to sign a commitment letter agreeing that PRVWSD will provide up to $100,000 in local matching funds.

Mr. Randy McIntosh made a motion to approve Mississippi Outdoor Stewardship Trust Fund Grant Application Submittal, as recommended by staff. Mr. Kenny Latham seconded the motion.

The vote was as follows: For: Brackin, Crosby, Johnson, Latham, McIntosh, Spellings, Thompson, White, Windham and Winstead. Against: None. Abstain: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the next agenda item.

Mr. Randy McIntosh requested approval to advertise for Real Estate Broker for parcels 2 acres or less.

Periodically the District has property under two acres for sale. These proposals would be the services to market this property and the real estate commission fees to be charged. The proposal will be for a two-year contract period with a provision for two one-year extension.

Mr. Randy McIntosh made a motion to approve to advertise for Real Estate Broker for parcels 2 acres or less, as recommended by staff. Mr. Lonnie Johnson seconded the motion.

The vote was as follows: For: Brackin, Crosby, Johnson, Latham, McIntosh, Spellings, Thompson, White, Windham and Winstead. Against: None. Against: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the next agenda item.

Mr. Randy McIntosh requested final approval of Regulation Change, Title 33, Part 201, Chapters 1-2, Public Records.

Mr. Randy McIntosh made a motion to approve Final Regulation Change, Title 33, Part 201, Chapters 1-2, Public Records, as recommended by staff. Mr. Jack Winstead seconded the motion.

The vote was as follows: For: Brackin, Crosby, Johnson, Latham, McIntosh, Spellings, Thompson, White, Windham and Winstead. Against: None. Against: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the Parks Policy Committee agenda item.

Mr. Kenny Latham requested approval to reject all Bids for Timberlake Campsite Rehab.

On August 5, 2026 bids for the Timberlake campsite rehab were opened with the lowest bid for the project being $356,714.00. That low bid was significantly higher than anticipated by staff. District staff would like to reject all bids and bring a smaller proposal back to the Board.

Mr. Kenny Latham made a motion for approval to reject all Bids for Timberlake Campsite Rehab, as recommended by staff. Mr. Don Thompson seconded the motion.

The vote was as follows: For: Brackin, Crosby, Johnson, Latham, McIntosh, Spellings, Thompson, White, Windham and Winstead. Against: None. Abstain: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the Bylaws Committee agenda items.

Mr. Kenny Windham requested approval of Absenteeism Addition to Bylaws.

Response to Absences:

Attending Board meetings by members is necessary and important to the functioning of PRVWSD. An absenteeism problem exists if:

- A member has missed three consecutive Board meetings; or
- A member misses six Board meetings in a twelve-month period (one half of Board meetings).

If one of these attendance problems arises, the Executive Director may notify the appointing authority via letter. A report will be given to the full Board after each fiscal year.

"Attendance" means in person, by phone, or via video conference. Members should strive to stay for the duration of Board meetings. Should members leave meetings early, the Board could determine that an absence exists.

After discussion, the committee recommended that the notification to appointing authorities be made discretionary by changing the word "will" to "may"

Mr. Kenny Windham made a motion for approval of Absenteeism Addition to Bylaws, as recommended by staff. Mr. Don Thompson seconded the motion.

The vote was as follows: For: Brackin, Crosby, Johnson, Latham, McIntosh, Spellings, Thompson, White, Windham and Winstead. Against: None. Abstain: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the next agenda item

Mr. Kenny Windham requested approval of Committee Meetings Start Time to be Moved to 1:00pm from the current start time at 2:00 p.m.

Mr. Kenny Windham made a motion for approval of Committee Meetings Start Time to be Moved to 1:00pm, as recommended by staff. Mr. Kenny Latham seconded the motion.

The vote was as follows: For: Brackin, Crosby, Johnson, Latham, McIntosh, Spellings, Thompson, White, Windham and Winstead. Against: None. Abstain: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for Finance Committee agenda items.

Mr. Randy McIntosh requested approval of FY28 Budget.

Mr. Randy McIntosh made a motion for approval of FY28 Budget, as recommended by staff. Mr. Kenny Latham seconded the motion.

The vote was as follows: For: Brackin, Crosby, Johnson, Latham, McIntosh, Spellings, Thompson, White, Windham and Winstead. Against: None. Abstain: None. MOTION CARRIED UNANIMOUSLY.

President Windham called for the next agenda item.

Mr. Randy McIntosh requested approval of Auditor's Contract with the Office of the State Auditor and Collins, Barr & Hembree, LTD.

Mr. Randy McIntosh made a motion for approval of Auditor's Contract, as recommended by staff. Mr. Lonnie Johnson seconded the motion.

The vote was as follows: For: Brackin, Crosby, Johnson, Latham, McIntosh, Spellings, Thompson, White, Windham and Winstead. Against: None. Abstain: None. MOTION CARRIED UNANIMOUSLY.

Finance Chairman Randy McIntosh reviewed the Per Diem and Travel Report.

Mr. Randy McIntosh made a motion to approve the Per Diem and Travel Report for July 2026. Mr. Philip Crosby seconded the motion.

President Windham asked for any additional questions or comments. None were offered.

The vote was as follows: For: Brackin, Crosby, Johnson, Latham, McIntosh, Spellings, Thompson, White, Windham and Winstead. Abstained: None. Against: None. MOTION CARRIED UNANIMOUSLY.

Chairman McIntosh reviewed the Cash Balance Report.

Mr. Randy McIntosh made a motion to approve the Cash Balance Report, as presented. Mr. Bruce Brackin seconded the motion.

President Windham asked for any additional questions or comments. None were offered.

The vote was as follows: For: Brackin, Crosby, Johnson, Latham, McIntosh, Spellings, Thompson, White, Windham and Winstead. Abstained: None. Against: None. MOTION CARRIED UNANIMOUSLY.

Chairman McIntosh reviewed the Claims Docket for July 2026.

President Windham asked for any additional questions or comments. None were offered.

Mr. Randy McIntosh made a motion to approve the Claims Docket for July 2026, as presented. Mr. Philip Crosby seconded the motion.

The vote was as follows: For: Brackin, Crosby, Johnson, Latham, McIntosh, Spellings, Thompson, White, Windham and Winstead. Abstained: None. Against: None. MOTION CARRIED UNANIMOUSLY.

President Windham then asked for the next agenda item.

Chief Dipuma reviewed the police report for July 2026.

Mr. Kenny Windham appointed the Nominating Committee for 2026-2027 Board Officers to include Jack Winstead, Kenny Latham and Don Thompson.

Mr. Adam Choate then gave his report as Executive Director.

Mr. Choate gave the lake level at 297.08.

Mr. Jason Spellings made a motion to adjourn the meeting: Mr. Randy McIntosh seconded the motion.

The vote was as follows: Brackin, Crosby, Johnson, Latham, McIntosh, Spellings, Thompson, White, Windham and Winstead. Abstained: None. Against: None. MOTION CARRIED UNANIMOUSLY.

There being no further business to come before the Board, the meeting was adjourned at 10:21 a.m.

Dear Mr. Choate:

This is our standard joint-funding agreement between the U.S. Geological Survey Lower Mississippi-Gulf Water Science Center and Pearl River Valley Water Supply District for negotiated deliverables (see attached), during the period October 1, 2026 through September 30, 2027 in the amount of $115,865 from your agency. U.S. Geological Survey contributions for this agreement are $42,445 for a combined total of $158,310. Please sign and return one fully-executed original to My-Chae May at gs-w-lmg_agreements@usgs.gov or mail to 3535 S. Sherwood Forest Blvd. Suite 120, Baton Rouge, LA 70816.

Federal law requires that we have a signed agreement before we start or continue work. Please return the signed agreement by **October 1, 2026**. If, for any reason, the agreement cannot be signed and returned by the date shown above, please contact Richard Henry at (205) 723-8595 or email rhenry@usgs.gov to make alternative arrangements.

This is a fixed cost agreement to be billed quarterly via Down Payment Request (automated Form DI-1040). Please allow 30-days from the end of the billing period for issuance of the bill. If you experience any problems with your invoice(s), please contact My-Chae May at phone number (225) 298-5481 or gs-w-lmg_budget_finance_team@usgs.gov.

The results of all work performed under this agreement will be available for publication by the U.S. Geological Survey. We look forward to continuing this and future cooperative efforts in these mutually beneficial water resources studies.

Sincerely,

Todd E. Baumann
Acting Director, LMG Water Science Center

(a) $42,445 by the party of the first part during the period October 1, 2026 to September 30, 2027

(b) $115,865 by the party of the second part during the period October 1, 2026 to September 30, 2027

(c) Contributions are provided by the party of the first part through other USGS regional or national programs, in the amount of: $0

Description of the USGS regional/national program:

(d) Additional or reduced amounts by each party during the above period or succeeding periods as may be determined by mutual agreement and set forth in an exchange of letters between the parties.

(e) The performance period may be changed by mutual agreement and set forth in an exchange of letters between the parties.

3. The costs of this program may be paid by either party in conformity with the laws and regulations respectively governing each party.

4. The field and analytical work pertaining to this program shall be under the direction of or subject to periodic review by an authorized representative of the party of the first part.

5. The areas to be included in the program shall be determined by mutual agreement between the parties hereto or their authorized representatives. The methods employed in the field and office shall be those adopted by the party of the first part to insure the required standards of accuracy subject to modification by mutual agreement.

6. During the course of this program, all field and analytical work of either party pertaining to this program shall be open to the inspection of the other party, and if the work is not being carried on in a mutually satisfactory manner, either party may terminate this agreement upon 60 days written notice to the other party.

7. The original records resulting from this program will be deposited in the office of origin of those records. Upon request, copies of the original records will be provided to the office of the other party.

8. The maps, records or reports resulting from this program shall be made available to the public as promptly as possible. The maps, records or reports normally will be published by the party of the first part. However, the party of the second part reserves the right to publish the results of this program, and if already published by the party of the first part shall, upon request, be furnished by the party of the first part, at cost, impressions suitable for purposes of reproduction similar to that for which the original copy was prepared. The maps, records or reports published by either party shall contain a statement of the cooperative relations between the parties. The Parties acknowledge that scientific information and data developed as a result of the Scope of Work (SOW) are subject to applicable USGS review, approval, and release requirements, which are available on the USGS Fundamental Science Practices website (https://www.usgs.gov/office-of-science-quality-and-integrity/fundamental-science-practices).

Proposal No. 26001P-199

Attention: Mark Beyea, P.E
Chief Engineer

Re: Proposal for 2026 Formal Dam Inspection
Barnett Dam
Ross Barnett Reservoir, Mississippi

Gentlemen:

We are pleased to submit this proposal for conducting a formal engineering inspection of the Barnett Dam. The Barnett Dam is located on the Pearl River, just north of Jackson, Mississippi in Madison, Hinds and Rankin Counties. The dam was completed in 1962 and has a maximum height of 64 ft. The dam is approximately 18,400 ft long, including dikes, and has a gated overflow spillway in the center of the embankment. An emergency spillway consisting of an erodible fuse plug dike is located at the east abutment of the dam. At the normal pool elevation of 297.5 ft, the dam impounds a reservoir with a surface area of about 34,500 acres and a total storage volume of about 360,000 acre-ft. The dam is owned and operated by the Pearl River Valley Water Supply District (PRVWSD).

Our scope of services for this project would be as follows:

1. Review reports related to previous inspections, maintenance, repairs and alterations.
2. Perform a field inspection following the checklist prescribed by MDEQ and interview PRVWSD staff.
3. Prepare a dam inspection report. The inspection report would document any observed deficiencies of the dam and would provide recommendations and priorities for addressing the deficiencies.

Based on the prior inspection effort in 2025, the following project features would be included in the inspection:

1. Main embankment and toe ditches
2. Marina dikes
3. Control building and main spillway
4. Fuse plug emergency spillway
5. Mule Jail Lake drop structure on Brashear and Culley Creek diversion channel
6. Low head dam upstream

We would perform the scope of services generally outlined above for an estimated sum of $36,000.00. We would not exceed this amount unless the scope of services is expanded. If it becomes necessary to expand the scope of services, we would estimate the additional charges and request approval before proceeding. Professional services provided by Burns Cooley Dennis, Inc. would be performed in accordance with generally accepted engineering principles and practices.

We appreciate the opportunity to submit this proposal. If the scope of services and estimated cost described in the preceding paragraphs are acceptable, please issue your executed agreement. We look forward to conducting the 2026 formal dam inspection.

Very truly yours,

BURNS COOLEY DENNIS, INC.

Memo

To: PRVWSD Shoreline Committee Members/Board of Directors

From: Chief Engineer

Subject: Cellular Water Meter Equipment Sole Source Purchase Limit Increase

Date: 9/9/2026

In May of this year, the Board approved a sole source acquisition request for water metering equipment that totaled $85,316. Since May, we have purchased $49,383.28 worth of water metering equipment. This has mainly been the result of unexpectedly rapid new home construction in developing neighborhoods, mainly The Preserve, Lost Rabbit and Arbor Landing. Increased efficiency in the replacement of defective metering equipment by our maintenance contractor, who has brought 189 meters back on line, has also contributed to the increased rate of spending on equipment. A surge in requests for irrigation meters added to the equipment demand as well. We expect the rate of equipment use to drop significantly as the number of non-functioning meters is reduced and demand for irrigation meter drops in the fall and winter, but it still seems likely that we will expend out current authorization before the end of the year.

Staff requests that the Committee/Board authorize an additional $75,000 in spending for sole source water metering equipment. This will bring the approved amount on the current authorization to $160,316.00.

Mark J. Beyea, P.E.
Chief Engineer
